**Important Values we live by:** We do not force our learners to join any church. They are encouraged to attend a Christian church of their choice. However, our learners are taught to live according to Christian biblical principles and values of loving their neighbour, strong moral and conservative values including dress and behaviour, are taught to honour and value all people as all created in the image of God; taught how to pray and to be filled with the Holy Spirit for excellent inspiration and achievement in life, by faith in God Almighty, the greatest scientist that created everything and everyone, through and in name of Jesus Christ (Jeshua Hamashiach). The teachings are to benefit the child and their families/communities; therefore this is a partnership with parents in bringing up children in the way of the Lord.
